

Introducing  
**CENTRAL  
CASTING**

On-Demand, On-Site  
Pedorthic Service

**Making mobility work for you**

When you join OHI's CENTRAL CASTING program, you'll have access to our select team of highly trained mobile Pedorthists. They'll arrive at your office on a scheduled basis to evaluate, measure, cast and fit for AFO's, custom orthotics as well as orthopedic and diabetic footwear.

Your mobile Pedorthist will also return to your office to dispense the finished devices, assuring patient satisfaction and increased retention.

## All revenues remain within your practice!

By combining CENTRAL CASTING with OHI's "Worry-Free DME" program, Medicare compliance is assured. We will even provide expert assistance should an audit occur.

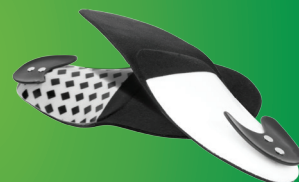

Schedule a mobile Pedorthist for a half day (3 hour) or full day (6 hour) session, or as required. CENTRAL CASTING delivers outstanding ROI including:

- Greater practice revenue
- Improved patient outcomes
- Significantly increased practice efficiency
- Marketing and billing support
- Guaranteed Medicare compliance\*
