Low-profile design

Can be worn with practically any shoe – even sandals!

Custom-molded, intimate fit

Made from Orthopedic-grade, Chromium-tanned leather and thermoplastic

The patented Arizona MezzoTM is the 'happy medium' between a UCBL and the standard Arizona Brace[®]. The custom fabricated Arizona MezzoTM provides support for a variety of midfoot and hindfoot conditions requiring superior longitudinal arch support. Its low-profile design and soft leather lining mean easy shoe fit, exceptional comfort and greater patient compliance. Partial Foot Arizona MezzoTM also available.
