Opted out of Medicare's therapeutic shoe program? Never opted in?

# WE HAVE GREAT NEWS FOR YOU AND YOUR PATIENTS

**DME Direct**, a brand new service from SafeStep, makes providing your patients with the life and limb-saving footwear they need, absolutely hassle-free.

- No DME number required.
- No Medicare-related paper work.
- No fitting, dispensing or returns headaches.
- And no more referring your patient out to another facility.

Get started right now with **DME Direct** and never worry about your patients' footwear needs again.
